asym_dsr

A scatter plot showing the relationship between two variables, both labeled 'asym_dsr'. The plot displays a dense, circular cloud of points centered at the origin (0,0). The x-axis ranges from -0.0015 to 0.002, and the y-axis ranges from -0.001 to 0.0015. The density of points is highest near the center and decreases towards the edges of the distribution.
